\*Based on SSN search, additional counties will be searched if needed. \$12.00 per county where applicable plus any court fees. The reporting of municipal and misdemeanor information is inconsistent from jurisdiction to jurisdiction and therefore may or may not be available for reporting.

\*\*To ensure that your firm is FCRA compliant, any records reported must be further investigated by conducting a County Criminal Record Search for re-verification of database searches. No database contains complete information; therefore, a County Criminal Record Search (real-time courthouse information) of known and reported residences are always recommended in addition to any database search for the most up-to-date and accurate information.
